"Plague Inc: Evolved is the closest you'll get to actually playing the real plague and doing something about it." – Steam News "Plague Inc: Evolved comes highly recommended by this crowd, and it's hard to beat the value when you consider that this title will include four additional paid DLCs in addition to the current core DLCs." – The Digital Kitchen "An old-school strategy game with modern day sensibilities" – Game Geek "It is definitely worth trying, just as long as you're a fan of old school and don't mind the zombies." – Cracked.com "Superb bits of gameplay." – Indie Game Review "Plague Inc. is the closest thing to real life catastrophe that we've ever had the chance to play" – Spin Master "Plague Inc. brings back the old school simulation and makes you feel like you are directly saving lives." – Digital Ramblings "Plague Inc: Evolved is a very rewarding experience and I can't recommend it enough." – Underbiter "I absolutely loved playing Plague Inc: Evolved, especially the patient zero AI. It's very hard to explain but I know it sounds crazy, but I think the most fun I've had with a game in a long time." – Interactive News "I highly recommend this game for anyone looking for a game that mixes real-time action with a strategy layer…Plague

Inc. is a fantastic game that does more than just entertain, it teaches the player more than a brief tutorial could." – Video Game Xtremes Plague Inc: Evolved – A mix of frighteningly realistic simulation and high strategy About Plague Inc: Evolved Plague Inc: Evolved is a unique mix of high strategy and terrifyingly realistic simulation which is now available on PC, Mac and Linux via Steam. It is the world's first and only realistic zombie game, a mix of high strategy, real-time action and terrifyingly realistic simulation. Players take control of Dr. Ian Cormac, a brilliant but crazy scientist, who must embark on a worldwide journey to find the cure to the zombie plague. Along the way you will be faced with challenges 82157476af
